REGISTRATION FORM FOR BMA WORKSHOP 2015

Salutation: _____

Name: _____

Fee types: Participant Student

Contact person (if part of a group): _____

Name of Organization: _____

Address: _____

Telephone: _____ Fax: _____

EMAIL: _____

Payment of RM _____, as registration fee for this workshop will be done by:

- Cash (on the day of registration)
 Bank-in to **Biochar Malaysia Association**
(CIMB account no. 86-0207888-7)

BIOCHAR MALAYSIA WORKSHOP 2015

6th April 2015

Faculty of Engineering, UPM

2015
International
Year of Soils

Signature

Date

For more information and updates on biochar, kindly refer to:
www.biochar-international.org

BACKGROUND

Biological charcoal or biochar is produced from carbonization of biomass, especially agricultural waste materials, and added into the soils to improve soil quality and crop productivity, decrease carbon footprint and increase carbon sequestration for climate change mitigation.

Biochar Malaysia Workshop 2015 is aimed to bring together all biochar practitioners, including farmers, researchers, technologist, producers and policy makers to share their knowledge and experiences in biochar research, production and utilization.

The workshop emphasizes on the progress in mass production of biochar in Malaysia using various methods and technology, and farmer scale production and its application as a soil amendment in agriculture. It is in the interest of all stakeholders to ensure a steady progress of biochar production and utilization in Malaysia until it is recognized as a practical method to reduce carbon footprint through carbon sequestration in soil and improve soil quality including contaminated soil recovery.

OBJECTIVES

This workshop is held in conjunction with Soil Science Conferences of Malaysia 2015. The objectives of the workshop are for participants to obtain the latest update on biochar in the following areas;

Farmer's scale production and application.

Test results of field application.

Current technology for mass production.

TENTATIVE PROGRAM

8.15 am – 8.45 am	Registration
8.45 am - 9.00 am	Opening ceremony
9.00 am – 9.15 am	Preliminary speaker
9.15 am - 10.00 am	Session 1: Biochar Production I (3 papers)
10.00 am – 10.15 am	Q & A session
10.15 am - 10.45 am	Coffee break
10.45 am - 11.15 am	Session 2: Biochar Production II (2 papers)
11.15 am – 12.00 pm	Session 3: Biochar Application (3 papers)
12.00 pm – 12.30 pm	Q & A session
12.30 pm - 2.00 pm	Lunch break
2.00 pm - 3.00 pm	Forum: Biochar Production & Utilization for Cleaner Environment & Crop Productivity in Malaysia <small>(Biochar producers, Policy Makers, Researchers, & Farmers)</small>
3.00 pm - 4.00 pm	Closing and AGM of Biochar Malaysia Association

REGISTRATION FEE

Participant	RM 100
Student	RM 50

The registration fees cover morning coffee & lunch to all participants and exempted for BMA membership 2015.

Note: The registration fee for this workshop can be paid to:
the Biochar Malaysia Association (BMA) for participants attend only the Biochar Malaysia Workshop
the MSSS for participants attending Soil Science Conference of Malaysia 2015 and Biochar Malaysia Workshop
